REACHING EVERY PERSON ON EARTH

PROGRAM GUIDE

Welcome to **EVERYONE** *Asia* 2024 !
REACHING EVERY PERSON ON EARTH

We are going to make history together in Jakarta this year as we gather to focus on reaching today's Asia with the good news of Jesus Christ. Empowered21 believes that the decade ahead will be a defining season for God's Kingdom on earth and that there is a tangible possibility that every person on earth will have an opportunity to know Jesus Christ before 2033 – the 2,000 year anniversary of the death, burial, resurrection, and ascension of Jesus, and also the 2,000 anniversary of the giving of the Great Commission and Day of Pentecost.

Sixty percent of the world's population now lives in Asia, so the task before us is monumental. We have a great job to do, but we know an even greater God who, through the power of His Spirit, is going to propel us forward from this conference.

I am coming to Jakarta filled with deep spiritual anticipation for God to speak, call, anoint, empower, and visit us. I believe that all of us will experience a new level of intimacy with Jesus through the Spirit this week, and out of that intimacy will come fresh, new initiatives for God's Kingdom. The most fruitful days of Great Commission effort in human history are ahead of us, and the Holy Spirit is ready to energize us for this exciting time.

I would like to extend special gratitude to Pastor Niko Njotorahardjo and his entire team for hosting us at the beautiful SICC. Their passion to complete the Great Commission in the power of a contemporary (third) Pentecost is a blessing.

Together, it can be done. Together, we can reach EveryONE for Jesus Christ in our generation!

DR. BILLY WILSON
Empowered21 Global Chair

Shalom **EVERYONE** ,

Our Lord has entrusted Indonesia to host the EveryONE Asia 2024 conference to convene at the Sentul International Convention Center (SICC), July 3 - 5, 2024, as a continuation of the vision from 2011, 2013, and 2018.

Other than workshops and collaborations, this event, however, will be different from previous ones, as it will feature a 24-hour Prayer Tower! I believe that the future pattern for Great Commission completion and harvest, will be through Prayer, Praise and Worship, and that, participants of EveryONE Asia 2024, will take the fire of Prayer, Praise and Worship back to their respective countries.

On the 15th of March 2024, God spoke to me that the largest and final global spiritual awakening had begun. Harvest NOW! EveryONE Asia 2024 is the trigger for that revival, especially among young people.

Together, we can ensure that by 2033, everyone on earth will have the opportunity to experience an authentic encounter with the Lord Jesus and hear the Gospel through the power and presence of the Holy Spirit of the Third Pentecost.

Let us together, welcome EveryONE Asia 2024, with thanksgiving and total dedication to the glory of the Name of the Lord!

DR. NIKO NJOTORAHARDJO
Chairman of the Empowered21 Asia Cabinet

Welcome to Indonesia, **EVERYONE**

We are delighted to witness the rich diversity among us, as we have representatives from over 20 countries across 6 continents. In Indonesia alone, where 170 church denominations are present, it's remarkable that over 57% of the delegates are under 40 years old.

Since October 2023, the committee has convened in prayer on a monthly basis for as long as 9 months. The fruition of these gatherings is not merely the result of strategic arrangements and planning but rather is born out of collective prayer and fasting.

From February 15 to June 29, 2024, we, along with the prayer networks across Indonesia have organized prayer relays across all 38 provinces of Indonesia, completing three cycles.

We believe that this gathering will act as a trigger that propels the movement of God to spread rapidly like wildfire. However, it's important to remember that we cannot achieve this alone. We need each and everyone of you to join us in this mission. Together, let's make it our goal to reach every person on earth, ensuring that they would have an authentic encounter with Jesus through the power and the presence of the Holy Spirit and hear the life-changing message of the gospel.

Remember that to reach everyone requires EVERYONE.

Entering these next three days together, let's humble ourselves in prayer and worship, opening our hearts to whatever the Lord may reveal to us. Let's seek His guidance on how best to fulfill the Great Commission by 2033, and let's fervently pray for a mighty outpouring of the Holy Spirit.

My prayer for each of you is simple – that you'll find joy and fulfillment in every session, that you'll experience an authentic encounter with the Lord Jesus, and that you'll leave here inspired and empowered to continue the work that lies ahead.

God bless you all abundantly.

DR. BILLY NJOTORAHARDJO
Chairman of the Organizing Committee

A CALL TO THE GLOBAL CHURCH FOR A DECADE OF GREAT COMMISSION EFFORT

Recognizing the need of the more than 8 billion individuals on earth to hear and respond to the good news of Jesus Christ,
Believing that God our Savior has provided the way of salvation for all people through the mediating work of His Son and that it is not His will that any should perish but that everyone should come to repentance,
Responding to the commission of Jesus to go and make disciples of all nations, preaching the gospel to everyone in the power of the Holy Spirit,
Approaching the 2000 year anniversary of Christ's Crucifixion, Resurrection, Ascension and the outpouring of the Holy Spirit on the Day of Pentecost,

We therefore unite to:

COLLABORATE with one another toward the fulfillment of the Great Commission

PRAY for the salvation of our family, friends, neighbors, co-workers and the people of the nations of the world

MOBILIZE the followers of Jesus entrusted to our ministry and local churches in reaching every person on earth with His grace and truth

INVEST increased resources in evangelistic efforts especially for people who have never heard the gospel

GO with the good news using every means available so that everyone has the opportunity to know Jesus Christ

We dedicate our lives to obeying Christ's command and call for the global Church to unite with us in making the next ten years the greatest decade of Great Commission effort in history.
